SINCE 1982

SINCE 1982

A solid foundation behind you

Established as a financial institute in 1982, we became a licensed bank offering investment and comprehensive financial services by 1990. Founded by a group of reputable men from various backgrounds, we entered the banking world with solid cornerstones on which we built our success. Over the years we have continued to provide reliable, trustworthy and competent services that cater to our diverse clients' needs and requirements and guarantee their utmost satisfaction.

A long-standing commitment to your goals

The commitment of our shareholders and the long-term bonds they have established with our team members have been mirrored in the relationships we built with our clients throughout the years and the loyalty we have garnered.

INVESTBANK has grown by 70% since its inception as a commercial bank. We have turned our vision into reality and achieved every milestone with dedication, consistency and confidence.

A bright future before you

This solid financial foundation and the expertise we have gained over almost 40 years of experience, provide a reliable basis for moving forward. We are progressing rapidly, modernizing our brand and innovatively renewing and implementing our core banking, business, and client management systems. All the integral pieces are in place to lead the way into the future of boutique banking in the region.

THE WAY FORWARD...
2021 DIRECTION

INVESTBANK's strategic direction for 2021 includes attracting and catering to small and medium sized enterprises (SMEs) through the bank and its subsidiaries which will help create a comprehensive banking environment that fulfills these customers' finance and banking needs.

We look forward to our new partnership with Turkish Airlines which will complement the existing wide variety of credit cards we offer to our clients such as our cobranded Shop & Shop card, Foreign Currency credit card and ATICO Fakhreddin Group cobranded credit card.

INVESTBANK continues to keep up with the latest technological developments in online banking services to improve the quality of the services provided to its customers and secure an electronic infrastructure, comparable to that of global banks, which allows for safe and secure e-transactions. These improvements increase operational efficiency, save time and effort, and position clients as partners all whilst placing the bank at the forefront of credit card usage and high-income client services in Jordan.

CREDIT CARDS**

INVESTBANK Credit Cards are your key to a rewarding lifestyle! We offer a wide range of credit cards with comprehensive features to suit our customers' needs and lifestyle. Below are some of the credit cards we offer:

Foreign currency credit cards

Designed for the explorer who is always on the go and jumping from one flight to another; the foreign currency credit card gives you the chance to avoid exchange fees. Foreign Currency cards come in five different nominations: USD, CAD, GBP, Euro and AED.

SHOP & SHIP cobranded credit cards

Our partnership with Shop & Ship gives you a free lifetime Shop & Ship membership, if you don't have one already, and enables you to enjoy 15% off your Shop & Ship shipping fees when paying with the cobranded Shop & Ship Credit Card.

The Credit Card also allows you to enroll in the Flexible Payment Plan, where you can pay back any local, international, and online purchase starting from JOD 150 at 0% interest for up to 24 months. A one-time fee will be applied based on the transaction amount where the minimum is JOD 20.

Our Shop & Ship cobranded card also gives you the chance to upgrade your account and subscribe to S&S FLEX membership for USD 10 instead of USD 35, and automatically get 5% off all your worldwide shipping fees when you shop using any of the 32 Shop & Ship worldwide addresses. All you have to do is set your Shop & Ship Credit Card to be the auto pay card to benefit from the automatic discount on shipping. IN ADDITION TO THIS, you will also get a 2% cashback on all online and offline, local and international purchases you make on the Credit Card.

Turkish Airlines cobranded cards

INVESTBANK's strategic partnership with Turkish Airlines provides you with a privileged access to exclusive benefits from the Miles&Smiles program when using the INVESTBANK MILES&SMILES Credit Card. With Miles&Smiles you will be able to redeem the points you accumulate every time you use your credit card for miles you can exchange for free or upgraded flights with Turkish Airlines and Star Alliance member airlines.

No, as the loyalty program is what provides you with miles and points to exchange with free or upgraded tickets with these airlines and not the opposite.

INVESTBANK MILES&SMILES Credit Card will automatically give you 1 mile for every 1 JOD spent on your card and 2 Miles for every 1 JOD spent on Turkish Airlines channels.

With the Miles you have accumulated, you can issue award tickets for yourself or your relatives from Turkish Airlines or upgrade your flight class free of charge.

IN ADDITION, you will get to enjoy all the benefits of our credit cards, such as the Flexible Payment Plan program where you can pay back any local, international, and online purchase starting from JOD 150 up to 24 months at 0% interest. A one-time fee will be applied based on the transaction amount, where the minimum is JOD 20.

CREDIT CARDS FEATURES

INVESTBANK offers a wide variety of value-added services to all its credit card holders including the Cash Rewards program, Jordan's most rewarding loyalty program, which allows all credit card holders to redeem 2% of any local, international, and online transactions made on their Visa credit card. What's more, all cardholders are directly enrolled in our Cash Rewards program, with no action required from their end.

Another credit card feature is the Flexible Payment Plan program whereby Credit card holders can make local, international, and online purchases on their credit card and pay them off at 0% interest rate up for up to 24 months. All they have to do is simply call our contact center and declare their intention to pay back the transaction amount using the Flexible Payment Plan.

AL IMDAD

Financing your trade

AL IMDAD was established to meet the growing need for a financial company specializing in trade financing and supply chain logistics. Our supply chain financing services ease and facilitate trade, providing a means for SMEs and large corporations to grow and expand at unprecedented rates. Our unique business model allows for traders and manufacturers, importers and exporters, to benefit from our trade financing and supply chain logistics services.

Our financing services are available to reputable traders and manufacturers with a clear business plan. Trusting in the seller's ability to sell, we finance your purchases using only the goods as collateral. Such services are designed to facilitate business by easing the process through which goods and materials are purchased and obtained. Our clients are then free to focus on sales and production.

Beyond Financing

Combining the services of the bank freight forwarder, clearing agent, and warehousing company, we provide one avenue for our clients to use during the entire process of sourcing goods and materials. Our team can consult and advise on all aspects of purchasing, importing and exporting.

Financing Power

Financing Power was established in 2010 as a subsidiary of INVESTBANK to finance larger and more complicated trades. Using the international network and affiliates of INVESTBANK enables us to partner globally with any firm within the supply chain network. The strength of the bank gives us the leverage to finance larger companies, as well as SMEs
